

British cable tray specialist manufacturer

AI Overview

Leading UK cable tray suppliers include Channel & Tray, Cable Management Warehouse Ltd, Aitkens Cable Tray Systems, METSEC, and Armorduct Systems Ltd. Top Suppliers Overview Channel & Tray is a trusted UK manufacturer offering precision-engineered metal cable trays, including heavy-duty, ladder, and wire mesh systems. They are known for custom solutions tailored to specific project requirements and have a strong reputation for quality and reliability. Cable Management Warehouse Ltd (CMW), headquartered in Bedford, is a leading distributor serving network, data, and telecom industries. They provide perforated trays, ladder trays, and trunking systems with high load capacity, corrosion resistance, and easy installation. Aitkens Cable Tray Systems, based in Glasgow, has been family-owned since 1977. They manufacture and import a wide range of cable management products, including perforated and ladder trays, serving the UK market through wholesalers and distributors. METSEC, part of the global Voestalpine Group, specializes in precision-engineered metal solutions, including light-duty and heavy-duty cable trays. Their products are durable, modular, and compliant with international standards. Armorduct Systems Ltd manufactures steel cable management systems, including cable trunking, trays, baskets, floor boxes, and power tracks. They offer both standard and bespoke solutions designed and manufactured in-house. Additional Notable Suppliers Other reputable UK suppliers include Direct Channel, which provides light, medium, and heavy-duty trays with pre-galvanized and hot-dipped finishes, along with a full range of accessories for seamless installation. RS Components also offers a wide selection of cable trays under brands like RS PRO, Cablofil, and Legrand, including ladder, wire mesh, and stainless steel options. Key Considerations When selecting a supplier, consider: Material and finish: Options include pre-galvanized, hot-dipped galvanized,...
