

Cambodian 6-core optical cable manufacturer

AI Overview

ENC W&W Co., Ltd. and Telcotech are key providers of high-quality fiber optic cables in Cambodia, including 6-core optical cables, with nationwide and ASEAN-level distribution. Key Manufacturers and Distributors

1. ENC W&W Co., Ltd. Based in Phnom Penh, ENC W&W partners with top Chinese manufacturers to distribute premium fiber optic cables, including multi-core options suitable for state grid and telecom projects across Cambodia and the ASEAN region. They provide technical support, tailored solutions, and efficient delivery for both commercial and government projects, making them a reliable source for 6-core optical cables.
2. Telcotech Ltd. Telcotech operates a 30,000-kilometer fiber optic network in Cambodia, connecting terrestrial and submarine cables. They are linked with Tier-1 international providers and offer high service availability. While primarily an infrastructure provider, Telcotech also supplies fiber optic cables for large-scale telecom projects, which may include 6-core configurations.
3. Angkor Data Infrastructure Co., Ltd. Licensed by the Telecommunication Regulator of Cambodia (TRC), Angkor Data Infrastructure provides nationwide fiber optic services, including planning, implementation, leasing, and maintenance. They focus on in-building and countrywide fiber networks, which can include 6-core optical cables for enterprise and government applications.
4. Online Supplier Platforms Alibaba lists over 600 suppliers offering fiber optic cables for the Cambodian market, including OEM and ODM options. This platform can be used to source 6-core optical cables from manufacturers with export capabilities to Cambodia.

Considerations for Selection Certification and Quality: Ensure the manufacturer provides cables compliant with international standards for optical performance and durability. Technical Support: Companies like ENC W&W and Angk...
