

Chinese Stainless Steel Mesh Cable Tray Manufacturers

AI Overview

China offers a wide range of stainless steel mesh cable tray manufacturers providing customizable, corrosion-resistant, and high-quality solutions for industrial and commercial projects. Leading Manufacturers

1. JLH Electric JLH Electric specializes in stainless steel wire mesh cable trays with customizable sizes and lengths. Their trays use 4-6mm diameter wire baskets, ideal for data communication and small-diameter cables. The mesh design ensures proper ventilation, prevents heat accumulation, and protects cables from abrasion. JLH offers widths from 200-500mm, heights from 50-200mm, and lengths from 300-3000mm. They provide OEM/ODM services, optional covers, and flexible installation options for walls, ceilings, or under floors.
2. Shandong Tianhong Electric Power Technology Co., Ltd. Founded in 2006, Tianhong is a leading cable tray manufacturer in China, producing perforated trays, cable ladders, trunking, strut channels, and fittings. They offer OEM & ODM services, automated production lines for consistent quality, and solutions for power plants, data centers, and commercial buildings. Their products emphasize durability, ventilation, and corrosion resistance.
3. APEXTRAY (China Cable Tray Factory) APEXTRAY manufactures solid bottom, ladder, and perforated cable trays, including stainless steel options. They provide customized designs, expert consultation, installation support, and quality assurance through rigorous testing. Lead times typically range from 10-30 days depending on order specifications. Their products are suitable for industrial, commercial, and infrastructure projects.
4. General Suppliers on Made-in-China The platform lists multiple Chinese suppliers offering stainless steel mesh cable trays, including outdoor waterproof, anti-corrosion, and fireproof options. Many suppliers provide factory-direct pricing, OEM customization,...
