

Custom Explosion-Proof Distribution Box Manufacturer in Kazakhstan

AI Overview

Sigma Solutions LLP, Sigma Industries LLP, and Goreltekh Plant LLP are leading Kazakh manufacturers of explosion-proof distribution boxes, offering IEC-compliant, high-quality products for industrial applications. Sigma Solutions LLP and Sigma Industries LLP, based in Atyrau, Kazakhstan, specializes in supplying explosion-proof electrical equipment for the oil & gas, mining, and EPC industries. Their subsidiary, Sigma Industries LLP, designs and manufactures a wide range of explosion-proof equipment, including Ex d and type “e” distribution boxes, control panels, signaling stations, and monitoring systems. Products are designed to ensure complete safety and efficiency in hazardous zones and comply with international standards such as IEC. Sigma Solutions also provides technical support, project management, and a wide stock of related electrical materials, including cable glands, power cables, and grounding systems. Goreltekh Plant LLP is a 100% Kazakhstan-based high-tech manufacturer with a full-cycle production process for explosion-proof electrical equipment. The company focuses on delivering products with an optimal price-quality ratio for industrial sectors in Kazakhstan and CIS countries. Goreltekh emphasizes scientific and technological development, ensuring that their distribution boxes and other explosion-proof devices meet high professional and safety standards.

Key Considerations When selecting a manufacturer in Kazakhstan, consider the following:

- Certification and compliance:** Ensure products meet IEC, ATEX, or IECEx standards.
- Product range:** Look for manufacturers offering Ex d, Ex e, and other explosion-proof distribution boxes suitable for your hazardous zone.
- Technical support and local availability:** Companies like Sigma Solutions provide project management, installation guidance, and rapid delivery within Kazakhstan.
