

East African Galvanized Cable Tray Specifications Manufacturer

AI Overview

East Africa has several reputable manufacturers and suppliers of galvanized cable trays, including TDK Tech Store, Delta Blue East Africa, and Brilltech Engineers, offering durable, corrosion-resistant solutions for industrial and commercial projects.

Key Manufacturers and Suppliers

1. **TDK Tech Store (Kenya)** TDK Tech Store specializes in perforated galvanized steel cable trays and other metallic cable management systems. They offer a variety of tray types, including ladder, mesh, ventilated, and solid bottom trays, with thicknesses ranging from 0.6mm to 3.0mm and standard lengths of 8 feet (2.44 meters). TDK Tech Store serves major East African locations such as Nairobi, Mombasa, Kisumu, Eldoret, and extends deliveries to Uganda, Tanzania, Rwanda, and South Sudan, making them a reliable regional supplier.
2. **Delta Blue East Africa (Kenya)** Delta Blue East Africa provides industry-leading galvanized cable trays sourced from reputable manufacturers. Their products are designed for commercial and industrial construction, offering flexibility for wiring system changes and cost-effective installation. They supply straight sections and fittings for horizontal and vertical routing, supporting complex configurations with minimal tools.
3. **Brilltech Engineers (Pan-Africa)** Brilltech Engineers offers high-quality galvanized cable trays across Africa. Their trays are manufactured from hot-dip galvanized steel, providing superior corrosion resistance and durability. They are suitable for power plants, commercial buildings, and industrial projects, with perforated designs for ventilation and easy cable management.

Product Features

Material: Hot-dip galvanized steel for rust and corrosion resistance

Designs: Ladder, perforated, mesh, ventilated, and solid bottom trays

Sizes: Widths from 25mm to 100mm, heights from 50mm to 600mm, and lengths typically 2.44 meters
