

## Electric distribution boxes near Austria

### AI Overview

Austria has several specialized manufacturers producing electrical distribution boxes, including PCE Electric, Energie- und Telecom Netze GmbH, and GIFAS-ELECTRIC GmbH, offering solutions for industrial, commercial, and outdoor power distribution. Key Manufacturers and Products

**PCE Electric (PC Electric / MERZ GmbH)**  
Based in St. Martin/Innkreis, Austria, PCE Electric specializes in industrial plugs, sockets, and a wide range of distribution boxes. They offer rubber, metal, and plastic distribution boxes suitable for various industrial applications, including CEE plugs and earthing contact systems.

**Energie- und Telecom Netze GmbH (ETN)**  
ETN provides outdoor distribution cabinets and columns for power distribution. Their products comply with IP34D to IP54 protection standards and can be supplied as empty cabinets, with mounting plates, or fully assembled. They also offer customized busbar systems, fuse or load-break switch strips, and traffic control system integration, making them suitable for municipal and industrial projects.

**GIFAS-ELECTRIC GmbH**  
GIFAS-ELECTRIC specializes in solid rubber distributors, underfloor distributors, energy pillars, and floor sockets. They focus on high-quality, custom-configured solutions for various sectors, including commercial buildings and industrial facilities.

**Other Notable Companies**  
Austria hosts a variety of manufacturers and suppliers for electrical distribution systems, including EPS Electric Power Systems GmbH, which provides planning, installation, and maintenance of power distribution systems, and Energy3000, which focuses on sustainable energy solutions like photovoltaics that integrate with electrical distribution.

**Applications and Features**

- Industrial and Commercial Use:** Distribution boxes for factories, warehouses, and commercial buildings.
- Outdoor and Municipal Infrastructure:** Cabinets and columns designed for outdoor power distribution with high IP protection ratings.
- Custom Solutions:** Many Austrian manufacturers offer tailored configurations, including busbar systems, switch...
