

Ethernet Industrial Switch Equipment

Overview

Managed, unmanaged and Power-over-Ethernet (PoE) IP20- and IP67-rated Industrial Ethernet Switches are robust and versatile, helping enable industrial automation and monitoring in challenging conditions subject to extreme temperatures, dust and moisture. This gives you the flexibility to build powerful and secure networks, even in harsh environments: copper and FO ports, as well as redundancy. WAGO's switch portfolio provides scalable Ethernet network infrastructure with excellent electrical and mechanical performance. These rugged devices are designed for industrial use and are fully compatible with IEEE 802. Unmanaged switches are the simplest active network components. Elevate your industrial operations with an AI-ready, rugged network that offers peak performance, high resilience, advanced security—and that smoothly integrates IT proficiencies into OT environments. Customers want flexible, customizable and. Advantech's industrial Ethernet solutions provide an abundance of product options including managed and unmanaged switches, Gigabit Ethernet switches, PoE switches (IEEE 802. 3at), protocol switches, EN50155 and IEC61850-3-certified switches, and SFP modules with rackmount and.

Reliable TVS Diode Solution for Ethernet Switch Protection

For enterprise Ethernet switches deployed in industrial parks, security systems,
telecom cabinets, or outdoor networking environments, transient voltage threats
such as lightning surges,

Red Lion Controls 708FXE2-SC-15 Ethernet Switch, Managed, 8 Port,

The 700 Series 708FXE2-SC Industrial Ethernet Switch combines outstanding performance and ease of use. The fully managed switch is ideally suited for connecting Ethernet-enabled industrial and/or

Industrial Data Communications | RS

Industrial Data Communications Industrial communications have the Ethernet switches, routers, protocol converters, and wireless communication devices that internally process system information.

Cisco IE3500 Rugged Series Data Sheet

Products overview The Cisco IE3500 Rugged Series switches deliver high bandwidth, higher power and feature rich switching performance in a rugged

FR-7M3424/FR-7M3424P/FR-7M3424BT | Industrial Network

28-Port Gigabit L2+ Managed Industrial Switch, with 4xGigabit SFP Fiberroad
FR-7M3424 is a 28 port managed din rail ethernet switch designed for the industrial ethernet network. In such a

Industrial Ethernet Switches | Phoenix Contact

Our Industrial Ethernet Switch portfolio comprises Managed and Unmanaged Switches with Gigabit, PoE, IEC 61850 certification, and for DIN rail mounting.

Ethernet Switches

250 mA 10-30 VDC RJ45 Ethernet Enabled Industrial | Security Equipment N-TRON
Industrial Networking Family Available on back order 2 available on order

EDS-516A-MM-SC Ethernet Industrial Switch EDS516AMMSC

Application Electronic Equipment, Industrial Automation, Industrial Control, PLC
Programming Place of Origin Taiwan, China Brand Name MOXA Brand MOXA Warranty
