

Guyana Cable Tray Factory

AI Overview

Guyana has several reputable cable tray manufacturers offering high-quality, customizable solutions for industrial, commercial, and electrical applications. Key Manufacturers

1. Jeetmull Jaichandlall (P) Ltd. Jeetmull Jaichandlall is recognized for producing durable cable trays in various sizes, shapes, and colors. Their manufacturing facility uses modern equipment and advanced technology to ensure high-quality products. They focus on customization to meet industry-specific requirements and adhere strictly to international quality standards. Their cable trays are designed for durability, impact resistance, and excellent ventilation, making them suitable for multiple sectors including construction and industrial applications.
2. Brilltech Engineers Pvt. Ltd. Brilltech Engineers offers cable trays made from premium materials such as galvanized steel, stainless steel, and fiberglass. Their trays are designed to protect cables from physical damage, dust, and environmental hazards while promoting airflow to prevent overheating. They provide installation support, system design assistance, and ensure compliance with industry standards. Brilltech is known for both domestic and international supply, offering a wide range of sizes and styles.
3. Cable House Established in 1983, Cable House manufactures cable trays along with other electrical accessories like hose clamps and crimping tools. They provide customized solutions and emphasize sustainable performance, high durability, and reliable product life. Their products are available for both national and international markets, and they maintain strict quality control throughout the manufacturing process.
4. Micro Sheet Crafts Micro Sheet Crafts specializes in modular and customized cable trays, using high-grade steel and modern technology. They focus on client-specific designs and ensure timely delivery with zero manufacturing defects. Their products are widely used in retail, industrial, and commercial setups, and they offer professional support for installation and product...
