

Huijue Pigtail Fiber Manufacturer

Overview

HJ provide high quality optical fiber Pigtails,100% tested quality guarantee before delivery,with ISO standards and RoHS compliant. Our product range covers both single mode and multi-mode pigtails,and be available for all major fiber connector. HJ provide high quality optical fiber Pigtails,100% tested quality guarantee before delivery,with ISO standards and RoHS compliant. Our product range covers both single mode and multi-mode pigtails,and be available for all major fiber connector. Huijue Group was founded in 2002, is in the field of energy storage system in the leading technology innovation company, to provide customers with the optimal energy storage system solutions and safe and efficient storage full range of products, covering household energy storage system, industrial. Fiber Optic Pigtail is the basic passive components of Optical Fiber Telecommunication System,are utilized to achieve accurate mounting for precision alignment of fiber optical components. HJ provide high quality optical fiber Pigtails,100% tested quality guarantee before. Fiber Optic Pigtail is the basic passive components of Optical Fiber Telecommunication System,are utilized to achieve accurate mounting for precision alignment of fiber optical components. HJ provide high quality optical fiber Pigtails,100% tested quality guarantee before. This series features a 12-core bundle design using G652D single-mode fiber with internationally color-coded jackets (yellow). Multiple connector types (SC/LC/FC/ST) and polishing options (UPC/APC) are available. The abbreviations PC, UPC and APC are definitions expressing the physical differences. Founded in 2002, Huijue Group is a high-tech service provider integrating intelligent energy storage equipment and computer intelligent network communication system integration and application. The company is dedicated to becoming a leader in the.
