

Mauritius Intelligent Power Distribution Cabinet Manufacturer

AI Overview

Key manufacturers in Mauritius include Automation & Power Products Ltd (APP), CMH, and Legrand distributors, offering advanced power distribution cabinets and enclosures for residential, commercial, and industrial applications.

Automation & Power Products Ltd (APP) APP is a leading solution provider in Mauritius, specializing in electrification distribution and industrial automation. They partner with global brands such as ABB, Hitachi Energy, FIMER, TE Connectivity, and Doble to deliver intelligent power distribution solutions across Mauritius, Madagascar, and the Seychelles. APP offers a full portfolio of products, including low- and medium-voltage distribution systems, modular substations, EV charging infrastructure, and smart building automation systems. Their solutions focus on reliability, efficiency, and digital integration, making them suitable for utilities, industrial plants, and commercial projects.

CMH CMH is a sheet metal fabrication expert in Mauritius, producing energy storage enclosures and power distribution cabinets with high precision and durability. They provide a wide range of electrical solutions, including distribution boards, data systems, home automation, power cables, earthing systems, EV chargers, and solar inverters. CMH serves both local and international EPC contractors, supporting the setup of electrical power plants from coal, bagasse, diesel, photovoltaic, BESS, and hydro sources. Their cabinets are designed for residential, commercial, and industrial applications, emphasizing safety and long-term performance.

Legrand Mauritius Legrand offers a variety of cabinet and enclosure solutions, including Practibox S, Drivia, XL³, XL³ S, and Plexo³, suitable for different installation types. Their products are designed for easy wiring, operation, and modularity, ranging from 4 to 72 modules, and are ideal for residential and small commercial buildings. Legra...
