AI Overview

Wholesale prices for Monaco cable trays typically range from \$0.80 to \$76 per unit, depending on material, size, and order volume. Price Overview Monaco cable trays, like other metal and wire mesh cable trays, are available at factory-direct wholesale prices through B2B platforms and manufacturers. Prices vary based on: Material: Stainless steel, galvanized steel, aluminum, or wire mesh. Type: Perforated, ladder, or mesh cable trays. Size and load capacity: Larger trays or higher weight ratings cost more. Order volume: Bulk purchases significantly reduce per-unit cost. For example, B2B marketplaces report wholesale prices as low as \$0.80 per unit for small or standard trays, while specialized or heavy-duty trays can reach \$76 per unit. Suppliers and Marketplaces You can source Monaco cable trays from multiple suppliers: Eurotray and Emit Metal: Established manufacturers offering metal cable trays and accessories with high production capacity. Global Sources: Offers a wide range of cable trays with low minimum order quantities and direct factory pricing. TradeWheel and EC21: Provide access to international manufacturers and distributors, allowing price comparison and bulk order inquiries. Buying Tips Request quotes directly from suppliers to get the most accurate pricing for your specifications. Consider shipping and import costs if sourcing internationally. Check for certifications and material standards to ensure compliance with industrial or construction requirements. Compare bulk discounts across multiple suppliers to optimize cost per unit. By contacting suppliers through these B2B platforms, you can negotiate prices, confirm availability, and secure the best wholesale rates for Monaco cable trays.
