

Price of Branded Galvanized Steel Cable Trays

AI Overview

Branded galvanized steel cable trays typically range from \$2 to \$25 per meter, depending on type, coating, and order quantity. Price Range and Factors The cost of galvanized steel cable trays varies widely based on material, design, and supplier. Standard prices per meter generally fall between \$2 and \$25, with wire mesh trays on the lower end and heavy-duty ladder or perforated trays on the higher end. Bulk orders can reduce costs by 20-50%, especially when sourcing from manufacturers in China or other high-volume suppliers. Key factors influencing price include:

- Material and Coating:** Hot-dip galvanized (HDG) trays are more durable and cost 20-30% more than pre-galvanized options, while stainless steel trays are significantly pricier.
- Tray Type:** Wire mesh trays are lighter and cheaper, whereas ladder and perforated trays support heavier loads and cost more.
- Dimensions:** Wider or thicker trays require more material, increasing the price.
- Brand and Quality:** Premium brands like Shanghai Besca or Hdmann offer higher quality and verified corrosion resistance, often at a premium.
- Installation and Shipping:** Labor, accessibility, and shipping costs can add to the total project cost.

Branded Options Leading brands available include Ebo Systems, CARPEL, INTERFLEX, Shanghai Besca, Guangdong Yuchang, Ningbo Vichnet, and BXYC. These brands offer varying levels of customization, corrosion resistance, and warranty support. For critical industrial or Fortune 500 projects, premium brands with documented quality assurance are recommended.

Cost-Saving Tips Order in bulk to leverage volume discounts. Select wire mesh trays for lightweight applications to reduce material costs. Consider pre-galvanized trays for indoor or less corrosive environments to save upfront costs. Compare suppliers for branded options to balance quality and price. In summary, the price of branded galvanized steel cable trays de...
