

Serbian Trapezoidal Cable Tray Custom Manufacturer

AI Overview

Pekom and Brilltech Engineers are among the leading manufacturers and suppliers of cable trays in Serbia, offering high-quality trapezoidal and stainless steel systems. Key Manufacturers

1. Pekom Pekom is a well-established Serbian company specializing in cable tray systems, including stainless steel and trapezoidal designs. Their products are widely used in commercial and industrial projects, such as the DELTA PLANET building, and are compatible with BIM software for AutoCAD and Revit, facilitating integration into modern construction projects. Pekom emphasizes compliance with EN standards and provides technical support for installation and system design.
2. Brilltech Engineers Pvt. Ltd. Although an international company, Brilltech supplies cable trays in Serbia, offering galvanized steel, stainless steel, and fiberglass trays. Their trapezoidal cable trays are designed for durability, enhanced airflow, and easy installation. They provide consultation, system design support, and export services, making them a reliable option for both local and international projects.
3. Jeetmull Jaichandlall (P) Ltd. This manufacturer provides a variety of cable trays in Serbia, including trapezoidal and wire mesh designs. They focus on high-quality finishing, adherence to industry standards, and customization to meet specific project requirements. Their facilities use modern equipment and technology to ensure consistent product quality.
4. MG Kacarevic Ltd Based in Belgrade, MG Kacarevic has over 25 years of experience in electro-installation equipment, including cable tray systems. They are recognized for both domestic and international collaborations and offer a range of cable management solutions suitable for industrial and commercial applications.

Considerations for Selection Material: Choose between galvanized steel, stainless steel, or fiberglass depending on environmental conditions and load requirements.
