

Singapore Cable Tray System Manufacturer

AI Overview

Leading Singapore-based cable tray manufacturers include SMARTr International, Foresight Metal Engineering, United U-Li Projects, Ferrotech, Voltec, and Wanco Electric, offering a wide range of cable support systems for industrial and commercial projects. Key Manufacturers and Suppliers SMARTr International Pte. Ltd. Located at 66 Kian Teck Road, SMARTr specializes in electrical cable containment and support systems for industrial and commercial applications. Their product range includes cable trays, conduits, trunking, flexible conduits, fittings, junction boxes, and modular metal framing solutions. SMARTr products comply with BS EN, UL, IEC, and other international standards, serving infrastructure, commercial, industrial, and data center projects across Singapore and the region. Foresight Metal Engineering Pte Ltd Established in 1992, Foresight Metal Engineering is a leading specialist in metal cable trays, trunkings, and ladders. They provide both standard and customized cable support solutions for commercial and industrial projects. Their FME brand is known for quality and compliance with industry standards, and they offer technical support and project-specific solutions. United U-Li Projects Pte Ltd Founded in 2009, United U-Li Projects offers a comprehensive range of cable trays, trunkings, ladders, conduits, fittings, and floor trunking systems. They cater to diversified industries and provide wire basket management systems and service outlet boxes, emphasizing high-quality and reliable cable support solutions. Ferrotech Far East Pte Ltd Ferrotech supplies a variety of cable trays including perforated, ladder, FRP, and wiremesh trays. They serve industries such as oil and gas, power, desalination, airports, shipbuilding, food, petrochemicals, and pharmaceuticals, providing durable and efficient cable management systems. Voltec (Takaso Industries Singapore) Voltec manufacture...
