

Singapore-based long-span cable tray manufacturer

AI Overview

Leading Singapore manufacturers of long-span cable trays include Foresight Metal Engineering, SMARTr International, United U-Li Projects, VoltecX/Takaso Industries, and Ferrotech. Key Manufacturers Foresight Metal Engineering Pte Ltd has been a specialist in cable support systems since 1992, offering metal cable trays, trunkings, and ladders for commercial and industrial projects. They provide both standard and customized solutions, ensuring compliance with industry standards and catering to sectors such as pharmaceutical, medical, commercial, and marine industries. SMARTr International specializes in electrical cable containment and support systems, including cable trays, trunking, flexible conduits, and stainless steel containment systems. With over 30 years of experience, their products meet BS EN, UL, IEC, and other international standards, making them suitable for infrastructure, industrial, commercial, and data center projects. United U-Li Projects Pte Ltd, established in 2009, offers a comprehensive range of cable trays, trunkings, ladders, conduits, fittings, and floor trunking systems for diverse industrial projects in Singapore. VoltecX/Takaso Industries provides innovative cable management solutions, including cable trays, trunkings, ladders, conduits, and C-channels. They focus on high-quality, customizable solutions for construction and industrial applications. Ferrotech supplies a variety of cable trays, including perforated, ladder, FRP, and wiremesh types, suitable for efficient cable management systems across different industries.

Considerations for Selection When choosing a long-span cable tray manufacturer in Singapore, consider:

- Material and durability:** Stainless steel, FRP, or metal options depending on environmental conditions.
- Compliance:** Ensure products meet international standards like BS EN, UL, or IEC.
- Customization:** Ability to provide...
