

Slovenia produces cable trays

AI Overview

Cable trays in Slovenia are manufactured by companies such as Bevec d.o.o., Brilltech Engineers, Cable House, Jeetmull Jaichandlall, and Elba d.o.o., offering a range of materials, sizes, and customization options. Key Manufacturers and Their Capabilities

Bevec d.o.o. produces cable trays ranging from 50 to 600 mm in width and 50 to 60 mm in height, using galvanized, hot-dip galvanized, stainless steel, or powder-coated sheets. They also provide a wide variety of bends, couplers, and support hardware suitable for industrial, transport, and infrastructure projects, ensuring compliance with environmental and safety standards.

Brilltech Engineers offers high-quality cable trays in galvanized steel, stainless steel, and fiberglass. Their products include perforated trays for improved airflow and cooling, and they provide installation support, system design assistance, and adherence to industry safety standards.

Cable House has been active since 1983, manufacturing cable trays along with hose clamps, cable ties, and industrial connectors. They specialize in customized solutions and emphasize durability, reliable performance, and long product life.

Jeetmull Jaichandlall (P) Ltd. operates a modern manufacturing facility in Slovenia, producing cable trays in various sizes, shapes, and colors. They focus on high-quality finishing, advanced technology, and strict adherence to industry standards.

Elba d.o.o. is a leading Slovenian manufacturer of electrical installation products, including cable trays. They use advanced machinery such as TRUMPF laser machines and computer-guided bending machines to produce precise, high-quality trays from stainless steel, brass, and aluminum, with optional powder coating for durability.

Summary Slovenia hosts several reputable cable tray manufacturers capable of producing a wide range of products for industrial, commercial, and infrastructure applications. These companies offer customization, high-quality materials, and compliance with safety and environmental standards, making them s...
