

Steel cable tray manufacturer direct supply

AI Overview

Leading suppliers of steel cable trays include Eurostrut, CEF, Armorduct Systems, VALDINOX, and voestalpine Metsec, offering a range of standard and custom solutions for industrial and commercial applications. Key Manufacturers and Suppliers Eurostrut provides cable trays for industrial and marine use, including distribution trays, cable routes, and NATO-type models, with direct quote requests available via their webshop. CEF offers durable steel cable trays suitable for heavy loads and harsh environments, available in various sizes and finishes for industrial and commercial projects. Armorduct Systems Ltd manufactures a wide range of steel cable management systems in the UK, including cable trunking, trays, baskets, floor boxes, and power tracks, with both standard and bespoke solutions designed in-house. VALDINOX specializes in wire mesh cable trays and accessories, emphasizing fast installation, enhanced strength, and long service life. They provide custom-made solutions and large production capacity to meet demanding delivery schedules. voestalpine Metsec offers UK-manufactured cable tray systems in mild steel (pre-galvanized or hot-dip galvanized) and stainless steel (316L), with a full range of accessories, CAD design support, and bespoke manufacturing options. Their products conform to BS EN 61537 standards and are independently tested for quality and safety.

Considerations for Selection

Material and Finish: Choose between mild steel, galvanized steel, or stainless steel depending on environmental conditions and load requirements.

Tray Type: Options include solid-bottom, perforated, or wire mesh trays, each suited for different cable management needs.

Customization: Many manufacturers offer bespoke solutions, including specific dimensions, bends, tees, and integral connectors.

Support Services: CAD drawings, design consultation, and r...
