

Ukrainian Cable Tray Crossarm Manufacturer

AI Overview

SCaT and UKEP are leading Ukrainian manufacturers of cable tray systems, including crossarms and related accessories. SCaT (TM SCaT) SCaT is a Ukrainian manufacturer specializing in cable route products, including metal cable trays, metal hoses, and all necessary accessories for installation. Their product line forms a complete, integrated system for cable laying, ensuring compatibility between all components. SCaT also provides technical support and design resources, including an electronic "Album of Project Solutions" with assembly drawings, specifications, and installation schemes, which can help engineers optimize cable tray layouts and crossarm installations. Production of SCaT crossarms has been recently resumed, making them a reliable local source. Ukrainian Cable Electrical Engineering Enterprise (UKEP) UKEP is a modern Ukrainian company offering a wide range of cable support systems, including wire mesh trays, ladder trays, and hot-dip galvanized cable trays suitable for indoor and outdoor installations. Their E-Line series includes CTK, CT, KME, and TKS cable tray systems, many of which can be equipped with crossarms for vertical or horizontal cable routing. UKEP emphasizes international standards compliance and high load-bearing capacity, making their products suitable for industrial, construction, and energy sector projects. Ensytec Ensytec operates as a distributor in Ukraine, supplying cable trays and accessories from brands like Baks, along with conduits, busbars, and distribution boxes. While they are not a manufacturer, they provide access to high-quality cable tray systems and crossarms from established brands, which can be useful for projects requiring certified products. Additional Resources For market intelligence and supplier verification, platforms like Cybex provide export and trade data for Ukrainian cable trays, including shipment volumes, exporters, and pr...
