

What are some manufacturers of Greek mesh cable trays

AI Overview

ELVAN S.A., Jeetmull Jaichandlall, and Brilltech Engineers are leading manufacturers of mesh and perforated cable trays in Greece. ELVAN S.A. is a major Greek manufacturer of cable trays, cable ladders, and support systems, with over 40 years of experience. Their industrial facility in Paiania, Athens, spans 11,000 m², producing more than 5,000 standardized articles. ELVAN specializes in mesh and perforated cable trays, offering certified quality products for construction, industrial, and building sectors. They provide extensive technical support, automated manufacturing, and export services to over 20 countries, ensuring high reliability and customer satisfaction. Jeetmull Jaichandlall operates in Greece as a trusted manufacturer of wire mesh cable trays. They focus on high-quality finishing and customization to meet industry-specific requirements. Their on-site manufacturing facility uses modern equipment and advanced technology, allowing them to produce cable trays in various sizes, shapes, and colors. The company emphasizes strict adherence to industry standards and quality control, making them a top choice for durable and impact-resistant mesh cable trays. Brilltech Engineers Pvt. Ltd. supplies perforated and mesh cable trays in Greece. They manufacture trays from premium materials such as galvanized steel, stainless steel, and fiberglass. Their products are designed to enhance cable organization, airflow, and cooling, while protecting cables from physical damage and environmental hazards. Brilltech also provides professional support for product selection, system design, and installation, ensuring compliance with safety and regulatory standards. Summary For high-quality mesh cable trays in Greece, ELVAN S.A. is ideal for large-scale industrial projects with extensive export capabilities, Jee...
