

Where to find fiber optic cable sales centers

AI Overview

Fiber optic cables are available from specialized suppliers, online marketplaces, and major electronics retailers, offering options for both professional and home use. Online Specialized Suppliers LANshack offers fiber optic cables by the foot in various types (OM1, OM3, OM4, OM5, Singlemode) and strand counts (2, 6, 12, 24), with options for indoor, outdoor, armored, and aerial installations, including custom lengths and pulling eyes for easy installation. Cables Plus USA provides bulk fiber cables, connectors, and high-density solutions for enterprise and telecom networks, including singlemode and multimode options, with technical support and custom cutting. OmniCable maintains a large inventory of over 200 fiber optic SKUs, including outdoor and indoor cables, custom cutting, and value-added services for distributors and businesses. Online Marketplaces eBay offers a wide range of fiber optic cables, including patch cables, bulk reels, and specialty connectors, both new and pre-owned, suitable for networking, telecom, and industrial applications. Walmart sells fiber optic internet cables, patch cords, and bulk spools for home and business networking, with options for singlemode and multimode cables. Electronics and Office Retailers Best Buy stocks fiber optic cables for digital audio, HDMI, and home entertainment setups, including Toslink and LC/SC connectors. Office Depot carries fiber optic patch cables, duplex and simplex cables, and bulk options for networking and office installations. Target offers fiber optic cables for home networking and Wi-Fi setups, with same-day pickup and delivery options. Local Internet Providers For users in specific locations like Moses Lake, WA, fiber optic internet providers such as Quantum Fiber, Grant PUD, and Vyve Broadband may offer installation services and sometimes sell or provide cables for in-home networking. Tips for Choosing Fiber O...
